OUTREACH TO THE LAPSED. Many of us know Catholics who don't currently come to Church; new resources are being offered by the Catholic Agency to Support Evangelisation (CASE) to help us to reach out to such people. The materials are being made available to coincide with next week's HOME MISSION SUNDAY which is a day of prayer for the spreading of the Gospel in England and Wales. A collection will be taken next week to support the work of CASE, which the Bishops launched three years ago to support and resource individuals, parishes and communities to share the Good News of God's love. It has a popular website and this year offering materials to help issue an invitation of welcome to non-Churchgoing Catholics. See www.caseresources.org.uk and www.comehomeforchristmas.co.uk for more information. (the latter, for lapsed Catholics, will be launched at the beginning of November). CASE also run another website for anyone who has questions about the Catholic faith www.life4seekers.co.uk
